Almost on the Bench!!!

Daniel O'Grady
President

Hockey fans, we will be entering our 10 season of professional hockey in the city of Lowell. Booster Club Member, we will be entering in to our 9th year as a booster club. How many of you thought that either would last that long. Both organizations would not have been able to survive without the support of some very committed people and that support needs to continue to be able to see an 11th season and 10th as a club!!!

As has happened in past years, the booster club is gearing up for yet another exciting and fun filled year. The big item on our plate is next month's AAHLBC Convention which is being hosted by our club. This has taken the combined efforts of many great club members and supporters working in conjunction with the AAHLBC organization. We want the other AHL Booster Clubs to know that Lowell knows how to throw a party and we are doing it Mardi Gras style!!!

The first meeting of the new year is approaching on Monday, August 13, 2007, 7PM at the Tsongas Arena. I hope to see both old and new faces there and we will be talking about the upcoming season as well as the convention and choosing this years Membership Pin design from among the many that I know will be brought to this meeting. We will also be accepting donations from members of items to be used at the convention.

Editor

The momentum is just in it's early stages for another thrill packed season of your AHL Lowell Devils team. Make sure you will be part of the action packed fun by getting your season tickets paid for before the deadline. Starting off with the AAHLBC Convention in September, followed by pre-season games put on by the Devils organization and ending up with our 40 home games, this season has the promise of great times with great fans in a great city! Don't miss any of the excitement. Call 978-458-PUCK to guarantee a seat at the Tsongas.

Now's the time to start thinking about upcoming charitable donations for those less fortunate than ourselves. If you happen to see warm scarf's, mittens, hats, gloves or any winter items that you could donate that are on sale, get them and the club will be collecting these articles for this winter. If anyone has a coat they'd like to donate, please contact me through this website. Thanks in advance for your generosity.

GO DEVILS

As you see on the left side of the newsletter, the Executive Board has a couple of new members on it. We finally talked Jim Freer (a big Devils supporter) into a position and I know that Lee Doyle felt that it was her time to come on board. They will both be welcomed members in addition to Arlene Huard, Tricia Indelicato and myself. A big thank you to Joan Marais for her work as Vice President last year and to Mike Breneman for his years of work as club Treasurer. Don't worry Mike, you won't get to far from us this year...

As a club, we are planning for the coming year. The Executive Board has already met over the summer and is laying the groundwork. We are working on issues and information for our members, getting a schedule for newsletter dates, talking about different trips/activities and game nights at the Tsongas Arena. We will be looking for members to volunteer their time to keep things running and add any constructive ideas/suggestions. We need your help so don't be shy...

The Devils will be returning to the ice in October for another fun filled/action packed season of hockey in the Tsongas Arena. An NHL pre-season game against the NY Islanders has been announced and should be a great game. I'll be looking for Gallo to be there in NY colors... I hope that everyone has renewed their tickets or purchased other packages to another great season of Devils Hockey!!! Enjoy the rest of summer and see you at the meeting!!!
